Meet the Peace Youth Leadership Team

Ever wonder who those teenagers are that work with your children in KiX? Well they are part of the churches High School Staff. In this section you will learn about each one of the staffers every month.

This month you will get to know :

Haleigh Connors

Haleigh is a sophomore at Waunakee High School. This is her 3rd year working with KiX.

She lives with her Dad- Josh, Mom- Shannon and brother- Kaleb. They have a 3 year old dog, Barney.

At school Haleigh is involved in Forensics and also in her second year on the Girls Swim Team.

Haleigh is part of Adventure 910, Peace Core and Radical Ringers here at Peace. She loves going on the yearly mission trips and playing bells with Jan!

We asked all the kids why they wanted to work at Peace Lutheran Church. Haleigh replied, "I thought it would be a fun way to be involved at church and I like helping little kids. I also want to be a math teacher after college so this will help me get some experience"

Registration Info:

Registration is always open!!!

Register today online or in the church office.

Not registered but want to visit or check it out, stop by as a guest and try it out before registering!

If there is any questions, please contact Keri Ceder or Shannon Connors at peacelutherans@gmail.com.

Semester Service Project

More info to come.....

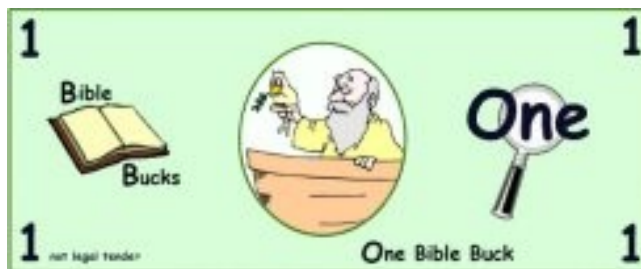

Bible Bucks

Each week, children in KiX will have the chance to earn Bible Bucks. The “money” will be earned through good behavior and attendance. They will be handed out by the Leaders.

We will open up the Peace Bible Bucks Store twice per year for the children to shop and spend their “money”. Once before the holidays and then at the end of the year in May. The store will offer small prizes like pencils, bubbles, candy, bookmarks AND some larger prizes.

Ask your child how many Bible Bucks they earned today!!

Joyful Noise, Chapel Chimes, Grace Notes & Radical Ringers

Peace offers a variety of musical groups for our children. Whether they like to sing or might be more interested in playing chimes.

Joyful Noise: Choir for kids ages 3 through 3rd grade. Directed by Laura Komar. Rehearsal is on Wednesday afternoons (4:45-5:15pm) starting September 20.

Chapel Chimes: This is a hand chimes group for kids (4th, 5th & 6th grades). Directed by Sherry Johnson. Rehearsal is on Wednesday afternoons (3:45-4:30pm) starting September 20.

Radical Ringers: This is quite the radical hand bell group! Middle School and High School kids rehearse on Sunday evenings starting September 17. Directed by Jan Rutkowski.

Contact one of the directors for more information if your child is interested in participating in the making of some beautiful music for our congregation.
